

SLIME

Ingredients:

3/8 teaspoon Borax

1 1/2 Cups Warm Water

1 Cup White Glue

Food Coloring of your choice

Or for Smaller Amount

1/4 teaspoon Borax

1 Cup Warm Water

1/2 Cup White Glue

Food Coloring of your choice

Instructions:

Pour glue into Ziploc bag

Add Borax and water mixture to bag, zip and mix.

If the slime is too slimy and leaves glue on your hands add more Borax.

If slime is too bouncy or hard, add glue.

Once slime is the right consistency, add food coloring.
